

The graph consists of 20 nodes, numbered 1 through 20, arranged in a circular pattern. The nodes are connected by edges of three colors: red, green, and dark green. The red edges form a central cluster of nodes including 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, and 20. The green edges form a path connecting nodes 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, and 20. The dark green edges form a path connecting nodes 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, and 20.
